Practice bulletin for the CEEW Scraping Field Course

Station: New Delhi-Safdarjung (42182). Figures copied on 12 October 2026 from IMD's climate page, https://city.imd.gov.in/citywx/extreme/climate.php?id=42182, and laid out as a PDF so you can practise extracting tables. Use IMD's page, not this file, as a source.
